about 45 or 50 years of age, with freddish sandy roared Frank, without any compassion. The hair and beard cut very close; he was tall and poor wretch rose up with difficulty and ombracing.

A correspondent of the Field relates the poor wretch rose up with difficulty and ombracing.

effect of the infinit was magical. After some inquiringly. "Jim is my private servent," said the first, he down a deep sigh and opened his very which is first with a steady stare on my face as I stoody and a first which the cook had got really and this revival him rapidly. He more brands and a first which the cook had got really and this revival him rapidly. He more brands and a first which the cook had got really and this revival him rapidly. He more brands are to pray for rain. Due I tent to how it be. When parson goes to church he takes a lewk at the river, and turns on the prayer for gade weather or rain according."

Letters received at Queenstown from the New track dissolved in how it be. When parson goes to church he takes a lewk at the river, and turns on the prayer for gade weather or rain according."

Letters received at Queenstown from the New track dissolved in how it be. When parson goes to church he takes a lewk at the river, and turns on the prayer for gade weather or rain according."

Letters received at Queenstown from the New track his life and the life and the prayer of the murder of an Englishman named Sawers by the natives, who subsequently carried off the body and steit.

was my name, and I was generally so addressed fewer qualifications. Then, first my wife and by intimate friends, but how this man should afterward my children died of the privations they time Pilate, whom they were going to burn in hoxes nut cil, 2,1 to bales granies, 115 packages know that, I could not surmise, and, as in the bad endured. I believe I was out of my mind East or smong semi-eavages " John" is an for some time after this. I know that I herdappellation of all strangers, I thought this man ed among the lowest outcasts for months, and was going to quiz me, so I drew myself up to I was possessed by a mania, which was ever present the extent of my five feet six, and answered with in my mind, to compass the destruction of the great bantour, "Sir! who the devil are you ?" manager, who, in spite of my high character and Instead of taking offence as I thought he might, attainments, had persistently passed me over for he merely took off his hat, not a mark of respect, strangers, and had been the cause of the death of but so that I should distinguish his features. I my loved ones. Time went on and fortune favourtooked at him closely, and—Yes, surely I have led me again. I was offered a chance to go in seen those features before, deprived of that heard, schooner; I went, and made a large sum. I went -in another minute the well-known face of my again and again and made more. In a few years old ship-mate, Frank Fairleigh, was before me; I was a rich man, but, too late-though not too but plas! how altered. He, who need to be as we late for revenge. Revenge was constantly burnalways said. Frank by name and frank by nature, ling in my thoughts. shaping or waking, night was now plainly a gloomy misanthrope. It was and day. I bought a small but fast schooner, thirteen years since we had been shipmates he as fitted her up to suit me, manued her with a mate and I as second mate, on a Chilian coast- crew of Kanal-3, and kept her concealed close ing steamer, and after that I left the country and | to the entrance of the harbour. I hired two lost sight of him, and here he now turned up—as desperadoes and promised them a large reward what? I looked at him wonderingly. The for their assistance. Night after night we frown never left his face as we shock hands after waited in vaio a sometimes the manager did I had made sure of his identity, and although not pass our way, and at other times he was he seemed to be pleased to meet me, still he not alone. At last one night he came by, did not show much outward sign of it. He had lalone, walking in fancied security. It was a dark just asked me to accompany him on shore, when cloudy night, just the night for my purpose. As he perceived the man we had rescued lying on he came round a corner I caught him around the the opposite side of the deck, who was at this neck with my arm, and stuffed a handkerchief, moment making some feeble moves with his naturated with obloroform; upon his face before hands. Fairleigh stepped over to look at him, he had time to make any noise. He was quickly and a terrible change took place both in his rolled up in a blanket and a boat sail, and carface and his conduct. He turned livid and his ried down to, and deposited in the boat. I paid wyes fairly blazed, as he rushed up and grab- the two ruffians well, and advised them to leave bed the half dead body with both hands, the country, which they probably did. In little "You thought you could escape me, did more than an hour we were on board the you? no escape for you this side of helt! You schooner and at sea under all sail, with a are mine, living or dead! you dog!" he gasped fresh breeze. I then unrolled my captive, out with rage, as he held the men up and then and after lightly binding both arms and legs, dropped him down again. I thought it was I busied myself to wake him up from his about time for me to interfere "Stop!" said enforced sleep. He had been nearly suffocated. I. as I took him by the shoulder and pulled I enjoyed the consternation he exhibited him away from the poor wretch with a quick when he opened his eyes. He felt the roll jerk, and stepped in between. Meanwhile, all of the veste. "Where are you taking me top. June 24.—Mr. J. M. Beattie, Mr. D. K. Sliman. Canton my crew were edging up to the place. "Stop, Where am IP", he asked. I could not answer. we have saved that man, but not for you to him for laughing; it was too good. He was bemarder him." He turned round and eyed me ginning to get angry now. "Mind what you ferociously, and, seeing my men around us, a stoing, my man, said he, "do you know who June, had variable weather throughout put two fingers to his month and sounded I am?" Yes, I know who you are! do you a shrill whistle. In a moment the deck was full know who I am?" "I don't want to know who of Kanakas. He said something to them, and | you are," said he with disdain, "land meat once !"

weigh. On the second day the outter came any mutinous spirit, or try to make himself the request accorded with my own wishes I was settled here no vine years ago and about two stems overtopping the other vegetation in tice of his doings. I have a big crowd of Kaussuch numbers as I have never seen together kas here on these islands, engaged in making neither before or since. The largest island of coconnit oil, and my schooler is steadily employthe group, fronting the passage we had passed ed carrying it away. I have a young frishman month of May, when we eighted the small group | knoll, in front of which was a green lawn slop- | weeks, and Jim took advantage of it, and made of islands, generally called Duff's group, during ing down to a wooden jetty. Farther down the a raft and tried to escape. I think it was with a trading voyage in the South Seas. A light native house were nestling among the feliage, the connivence of some of the Kanakas-I have southerly breeze, though barely strong enough and I saw more of them afterwards on the other not investigated it yet. He was marched for but to fill the sails of the small schooner, tempered islands. The best brought me alongside the sould not be found and I had given him up as lost the rays of the tropical sun, and chued but a jetty, and one of the craw jumped out and show- when you so providentially picked him up and slight ripple to disturb the surface of the smooth ed me the way to the house. A path of white brought him back. The sight of him on board and tranquil ocean. We glided through the coral sand led up to it. Broad steps of hard, your schooner, as you know, put me in a frency. water with an almost imperceptible metion, and highly polished wood occupied the whole of the He had been absent for eight days, so no wonder only by watching the islands ahead as they front, and these led to a side piasza which sur- he was exhausted. What do you think of it horizon, could we perceive that we were making were none, only so many openings, partly con- It was late in the evening when I went on headway and were drawing towards them. In coaled by hanging mats or allk drapery, giv- vard after Frank had shown me all over the numerable flocks of white-winged sea birds ho- ing the interior a cool, delicious half light. The place, and when I got on board I found the vered about us on all sides, attering discordant floors were covered with matting, and the room schooner filled up with fruit and other produce A school of perpoises passed us swimming with- great luxuriance, in a style in which the Orient Next morning I got under weigh for the in sportive glee as they gamboled around the the upper end sat my former shipmate and at his and when outside the reef I perceived two canoes vassel. Branches of trees, coccannt shalls, and foot kneeled the man we had rescued from the paddling after us in great haste. They were other debris floated past us as we approached raft. I felt immensely relieved when I saw that soon alongside and the Kanakas jumped on the islands, which were at a distance of five or he was still alive. This time he had on clean board. These fellows could speak but very poor six miles and surrounded by a long stretch of white trousers; and a white shirt with a large English, but between them and my own orew

THE CRACK OF DOOM BY_MES._ALEXANDER. AUTHOR OF "THE WOOING O'T." " HER Dealest Foe." "Forging the FETTERS," &c., &c.

Bless us and save us, Mr. Paul !-two fine ladies a coming to lunch! Whatever will I do to sort up the place fit for them." cried M sagrave's old cook and housekeeper, who had been in his father's rervice and had known himself from his boyhood. "There's only one day to do it inand the drawing-room all wrapped up in holland and n wanspars. Why.---"Never mind the drawing-room, Jessop," Musgrave, good natu edly. "The library and the dining-room will be enough for all we want. Give us a good luncheon, and put plenty of flowers everywhere. The ladies are not fine; they will be good enough to take us as we are." "Eh ! Mr. Paul. What do you know about ladies? They'll want to take off their bonnets and do up their hair, an' but in pius an' stick on bows, an' the good Lord knows what." "You are not complimentary, Jessop. ashamed to say I know very little about ladies so I will leave everything to your good management. I have no doubt all will go well" "Anyway Mr. Paul, I'll do my best,"

the mollified ruler of the roost, and she left the This conversation took place after dinger, on the return of the friends fro | Netherdale. "You have a very taking way with you, Musgrave," said Trever, gravely. "For a scientific men you are wonderfully human."

"If I were not, life would not be worth living. You must help us. Trevor: you know the ways of v or world, which is Miss Bingham's, so pray do your best to make my old home look civilised." lated. "Poor old fellow! Are you hard bit interest at the picture, and turning to Mus. Bingham spoke to her lover that night. "He meet my father. Ever your own Dorothy." as the stipulation. If I am what you suspect I Take care, Dorothy Bingham is: charming; but she is of the world-worldly-in no bad sense. She is good and true, but a little cold. She would never make up her mind to live in this remote spot-far from all she has been accustomed to-all that is necessary to her." "Why, Trever, you jump a little too fast to conclusions. Do you think I should ever be hold | to share my very humble fortune? "said Mus- | cheorful." grave. flushing red under his sun-burnt skin." bye, you will not say no. I presume?"

At leat he started on "He can have no serious objection! Since Prever was mitting at his rather late breakfast in the rooms he usually occupied while in town. enough to ask such a woman as Miss Bingham | though a quaint and interesting place, it is not | when Musgrave came in. Before he could speak, and after one keen, searching glance at his face. Trevor exclaimed, "You have asked, and have

had 'ves' for an answer.' "You are a wizard!" oried Musgrave. " What "I should be the dullest of mortals if I could not read success and triumph in your face; success I always anticipated." said Trevor, with a sigh he rose and held out his hand to his friend; 'you are the luckiest fellow in the world." "Am I not?" cried Musgrave, with joyous

exultation, "New I want you, for old friendship's sake, to postpone this exercaion of yours. Dorothy wants you too, she seems to fear opposition from her father, why. I cannot tell: of course she ought to have a far higher prize in the matrimonial market: but there is no reasonable objection to me if the person most interested has none.

"I will give you the word of the riddle," said Trever, gravely, "old Biogham and my uncle wish me to marry Dorothy, you know that cannot be; therefore, I famoy, I am your most potent ally. I shall put off my start till I see everything settled." He stopped abruptly, and a frown contracted his brows as though struck with sudden pain, then he added with a kindly smile, "One can't belp half envying the bliss that lies before you both."

"The bliss already known makes mo feel for other," said Musgrave, laving his hand on Trevor's shoulder. " Let me once more intercede for your unhappy wife. That she deceived you originally was enough to madden you at the time. heart is breaking.

Travor paced to and fro. "It is impossible," he said, sternly, "even if I consented to return, I do not think in my present condition of mind Oh, the beauty and charm of that moonlight | and feeling, my society would be calculated to comfort her. IMPERIAL QUARIO. INGLISH AND CHINES DICTIONARY. WITH THE POSTI AND MANDARIN PRONUNCIATION.

in Angle-Chinese Dictionary, published at the Map of the Far East Daily Press Office, Hongkong. For comprehensiveness and practical service his Work stants unrivalled. All the new words which the Chinese have of latey ears been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extense. Each and every word ully illustrated and explained, forming exercises or students of a most instructive nature. Both the Court and Punti pronunciations are given the accents being carefully marked on the best principle hitherto attained. The typography isplays the success of an attempt to make th Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously ttained, and dispensing with those vast margine

terized Chinese publications. To illustrate the vast scope of the work the following facts are submitted for consideration: Chalmers' Vocabulary contains about 16,000 Chinese characters, and Medhurst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English and can be had from words, and upwards of 600,000 Chinese charac. Peraties with Japan—Great Britain, 1858. United States Extradition Treaty, 1886 Mexico, 1839. TREATIES WITH COREA Treaties with Siam

CUSTOMS TARIFFS TRADE REGULATIONS-China, Japan, Siam, Customs Seizure, China. LEGAL DOCUMENTS-Orders in Council for Government of H.B.M. Subjects in China and Japan, 1865, 1877, 1878, 1881, 1884, 1884, 1886, 1886; Rules of H.B.M. Supreme and other Courts in China. Japan. &c. New Table of Feet: Table of Consular Fees; Code of Civil Procedure, Hongkong; Table of Hongkong Court Fees: Admiralty Rules; Foreign Jurisdiction Act; Rerulations for the Consular Courts of United States in China: Rules of Court of Consuls at Shanghai; Chinese Passenger

The DIRECTORY covers the whole of the ports and cities of the Far East, from Penang to Vladivostock, in which are gathered sojourners from the West.

Not only is the Directory most full and complete in each case, but it is preferred by DE-SCRIPTONS of each Colony, Port, or Settlement, carefully revised each year, some of which such as those of Hongkong and Shanghai, will serve as perfect and accurate GUIDES for the Tourist, giving as they do every detail in conpection with the places, their History and Topo-

graphy, &c., &c. The Information afforded in these Descriptions alone would suffice to fill an ordinary volume consisting of over Eighty highly interesting articles, packed with facts concisely net out, and containing statistics of the TRADE of each Counry and Port.

Briefly this work is the Directory for— THE OPEN PORTS OF CHINA. OTHER PLACES IN CHINA WHERE FOREIGNERS RESIDE. THE OPEN PORTS OF JAPAN. JAPANESE OFFICIAL DIRECTORY.

EASTERN SIBERIA. COLONY OF MACAO. COLONY OF HONGKONG. COREA AND ITS OPEN PORTS. THE PHILIPPINES.

dark, ragged clouds to the north-east, that Dane Company, Lincoln England. THE BORNEO STATES AND LABUAN. THE COLONY OF COCHIN-CHINA. ANNAM AND TONKIN.

SIAM. THE STRAITS SEITLEMENTS. THE MALAY STATES. THE BRITISH AND FOREIGN NAVAL SQUADRONS.

THE OFFICERS OF STEAMERS engaged in the coasting trade The Book is printed from New Type specially reserved for the purpose, and uniformity in the arrangement right through now greatly faoilitates Reference. The ALPHABETICAL LIST of RESI

DE NTS contains the names of nearly 16.000 FOREIGNERS carefully arranged, with the initials as well as the Surnames in strictly Alphabetical Order, so hat any name can be found instantly.

The Volume is embellished by numerous MAPS AND PLANS. These have been engraved by one of the most minent Firms in Great Britain and are constantly corrected and brought up to date. They

MAP OF THE ISLAND OF HONGKONG LARGE PLAN OF THE CITY OF VICTORIA NEW PLAN OF PEAR DISTRICT, VICTORIA PLAN OF FOREIGN CONCEBSIONS, SUANGUAI PLAN OF CANTON PLAN OF YOKOHAMA
